## 📄 Profile

I am a mature, positive, and hardworking individual who always strives to achieve the highest standard possible at any given task. I have a clear, logical mind with a practical approach to problem-solving and a drive to see things through to completion. I have more than five years of Experience in IT and supervising in one of the gaming cafés in Abu Dhabi and two years of experience in sales and marketing in one of the leading companies in Sri Lanka. I am eager to learn, and I enjoy overcoming challenges to grow and further improve my skills and abilities.
